
Additional shelf-life

December 14th, 2023

To whom it may concern,

This refers to your request to extend the shelf life of the product BLANC NATURE (4x2,5KG), lot number 80V13120400827E with a best before date of 04/2024.

Our last results obtained from our QC laboratory, on a retention sample of this product indicate that it is still in conformity with the quality criteria of original product specifications.

Based on those results, shelf life extension of 1 year can be allowed only if the product has been stored at the recommended conditions of temperature and in the original packaging.

Consequently, the new best before date of BLANC NATURE (4x2,5KG), lot number 80V13120400827E is set at **04/2025**.

This statement does not give the right to a new labelling on this product. It is delivered with the product.
